# Thanks to *Cancer Cell International* reviewers (2012)

Denys Wheatley

## Contributing reviewers

The editor and editorial board of *Cancer Cell International* would like to thank Angela Panther for her continued hard work throughout 2012 in keeping the journal going as our managing editor. We take this opportunity in early 2013 to thank all our reviewers who contributed to the journal in Volume 12 (2012). Last year saw submissions double, which will mean that in 2013 we will certainly have many more articles to publish, and hopefully our Impact Factor will rise above 2.
