

CORRECTION

Open Access

Correction: Granulocyte-macrophage stimulating factor (GM-CSF) increases circulating dendritic cells but does not abrogate suppression of adaptive cellular immunity in patients with metastatic colorectal cancer receiving chemotherapy

Miceala Martinez¹, Nadia Ono¹, Marina Planutiene², Kestutis Planutis², Edward L Nelson¹ and Randall F Holcombe^{2*}

Correction

After publication of the original article [1] it came to the publishers attention that the article was incorrectly published as an Editorial instead of the correct article type; Primary Research. We apologise for any inconvenience this has caused.
