Correction to: SIRT6/HIF-1 α axis promotes papillary thyroid cancer progression by inducing epithelial–mesenchymal transition

Zhou Yang^{1†}, Weiping Yu^{1†}, Renhong Huang¹, Min Ye^{1*} and Zhijun Min^{1*}

Correction to: *Cancer Cell Int* (2019)19:17
<https://doi.org/10.1186/s12935-019-0730-4>

In the article [1], the authors have found an error of α -tubulin in Fig. 4d. This error was caused by the same label name, and we put a same picture of α -tubulin in both BCPAP-NC and BCPAP-SIRT6 group in Fig. 4d during figure processing. The error doesn't affect any results and conclusions of this research. The correct Fig. 4d is given in this correction.

[†]Zhou Yang and Weiping Yu contributed equally to this work.
