

RETRACTION NOTE

Open Access

Retraction Note: Psoriasin (S100A7) is a novel biomarker for lung squamous cell carcinoma in humans

Guijuan Liu¹, Qiang Wu², Guilan Liu³, Xueying Song⁴ and Jihong Zhang^{2*}

Retraction to: *Cancer Cell International* (2015) 15:18 DOI 10.1186/s12935-014-0154-0

The editors are retracting this article [1] as it has been previously published in the *International Journal of Clinical and Experimental Pathology* [2] and it is therefore a redundant publication. The authors could not be reached by the journal for comment on the retraction.
