Erratum to: Suppression of Spry4 enhances cancer stem cell properties of human MDA-MB-231 breast carcinoma cells

Hongyu Jing^{1,2}, Lucy Liaw¹, Robert Friesel¹, Calvin Vary¹, Shucheng Hua^{2*} and Xuehui Yang^{1*} 

**Erratum to: *Cancer Cell Int* (2016) 16:19
DOI 10.1186/s12935-016-0292-7**

Upon publication of the original article [1], it was noted that the Core Facilities utilized by the authors for their research were not adequately acknowledged in the manuscript. In this case, the following was mistakenly omitted:

Progenitor cell analysis core
Molecular Phenotyping core
Stem Cell COBRE Grant P30GM106391
Vascular Biology COBRE Grant P30GM103392

This has since been acknowledged and corrected in this erratum.

The online version of the original article can be found under doi:[10.1186/s12935-016-0292-7](https://doi.org/10.1186/s12935-016-0292-7).
