Retraction to: *Cancer Cell Int* (2015) 15:74
<https://doi.org/10.1186/s12935-015-0226-9>

The authors have retracted this article [1] because there are anomalies in the data shown in Figures 3, 4, and 5.

All authors agree with this retraction. The authors are repeating their study and will submit a new manuscript for peer review.
