## Retraction Note: *Cancer Cell Int* (2020) 20:295

<https://doi.org/10.1186/s12935-020-01346-0>

Published online: 07 July 2021

The authors have retracted this article because they found that, in repeated experiments, the results could not be reproduced. The authors believe that this may be due to a potential contamination of the HepG2 liver cancer cell line with T24 bladder cancer cell line. The data reported in this article are therefore unreliable.

All authors agree to this retraction.

## Publisher's Note

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
